Petitioner - S Gummaraiah
Chamraja Road
K. Mohalla, Mysore

Respected Sir, I beg to submit that when I approached your esteemed self on 21.8.42, I was directed to go to speak to the Chief Secretary, first about my Land acquisition case after the same matter was referred to the Govt for enquiry and orders by the Duke of Gloucester. Accordingly I went to his office and submitted my case but again I was directed by him to go and speak to the Law Secy. In carrying out his order I approached you, Sir, again and submitted what the Chief Secretary observed. You, Sir, after hearing me for sometime directed me to submit a petition on the same subject of the land-acquisition.

I further beg to submit that the details, connected with the ~~matters~~ compulsory nature of the acquisition of my house & site in Mysore City have been fully set out in the Land Acquisition File forwarded by the Camp, Duke of Gloucester. If more particulars are needed, I do undertake to supply them for arriving at a fair conclusion of my unfortunate case emerged by the high-handedness of the Acquisition Authorities, so long ago as 1919.

P 90.

I have not had one moment's rest even, after the compulsory acquisition of my only property in Mysore, in spite of repeated orders of prohibition issued even by His Highness the Maharaja of Mysore whom too I had not missed to approach.

I therefore hope that atleast now, when your much esteemed self has received orders from an highest Authority of the British Empire itself, will kindly do full justice to me - whose foot is already in the Grave - by restoration of my site and costs against my losses and worries for the period of nearly 23 years -

Praying for your health, wealth and prosperity

I beg to remain,
Profoundly,

Your Most Obedient Servant,

Sir,

Representation of Thimmarayappa regarding the acquisition of
his house in Chamaraja Road, Mysore

With reference to your Memo No L 2465 dated the 31st August
1942 forwarding for report the petition of S Thimmarayappa in regard to
the acquisition of his house in Chamaraja Road, Mysore, I have the honour
submit herewith the connected records and to state as follows:-

"B"
It will be kindly seen from the records that property No (194)
777-78 in Block No 64 of Krishnaraja Mohalla, belonging to Sepoy Thimma-
rayappa was declared for acquisition in Government Notification No 7808/M1
204-06-8 dated 6-3-1907. The acquisition proceedings were subsequently
completed and an award for Rs 300/- was passed on 1-8-1916. As there was
some doubt as to whom the amount was payable, the case was referred to the
District Judge, Mysore, and the amount of Rs 298-3-3 after deducting Rs 1-12-
for Municipal Taxes, was also deposited in the Court. From the subsequent
letter No 1213-285 dated 17-9-1917 of the District Judge, it is however
seen that the award amount was not received by Thimmarayappa although the
case was decided in his favour.

C
The petitioner, Thimmarayappa, went on obstructing to give
possession of the property and a reference under Section 47 of the Land
Acquisition Act was therefore made to the City Magistrate in 1917 to en-
force the surrender of the said property to the Trust Board. In the mean-
while the Trustees of the Board at the Meeting held on the 25th September
1916 resolved that a site measuring $\frac{57' \cdot 72'}{2} \times 66$ or 473 sq yds, be given
to the petitioner in Nala Street in Block No 69 B of Krishnaraja Mohalla,
very near the property acquired. Thimmarayappa applied for an advance of

"D"

Rs 100/- for constructing a house on the said site but the same was not granted and an endorsement was accordingly issued to him on 5th April 1917

While the Police was engaged in carrying out the orders of the City Magistrate to enforce the surrender of the property, the petitioner caused further obstruction and assaulted the Police Officers as well as the Trust Board - Overseer who was also there to assist the Police Thimma-rayappa was therefore charged by the Police for assault of public servants, but the case was later withdrawn The petitioner thereafter filed a frivolous complaint against the Board and the Police but the City Magistrate dismissed it He went in appeal to the Sessions but in vain His revision petition to the Chief Court was also rejected

"B1"

In August 1923, the petitioner applied for a License to put up a shed on the site to the east of Amble Anniah Pandits' Girls' School but as the land then belonged to the Board by acquisition, he was not permitted to erect a shed The site in the Nala Street which was offered to him was not taken by him and the same has been reserved as an open space

"K"

"C1"

Ever since, the petitioner has been continuously petitioning although several endorsements have been issued to him stating that there is nothing else to be done in his case Government have also issued endorsements in No R 4555/M 49-19-32 dated 20th October 1919 and No L 4192/M 103-21^x-105 dated 4-12-1923 to the effect that there are no grounds to consider the orders passed in his case The Board have also resolved in their resolution No 14 dated 23rd^x October 1926 that the question cannot be reopened as it has already been finally disposed of He has also been endorsed to the effect even on 23rd September 1929

It will be kindly seen from the enclosed records that the petitioner renews his applications every time there

"S1"

is a new officer and this/^{he} has been doing even from the days
of late C Srikanteswara Iyer ^{me} ^{you} Kind reference of Government
is invited to this office letter No 90 ^X dated 16th July 1926
being the letter of the then Chairman (now Pradhana Siromani
N Madhava Rao, Dewan of Mysore) to Government explaining in
detail the facts of the case On an Office Note dated 14th
July 1926 he has also ordered as under:

Thimmarayappa is not satisfied with the grant of a
site but has been persistently asking that the
Board should build a house for him where it stood
before But this request cannot obviously be -
granted as the site of the old house next to the
Girls' School is reserved for a public purpose

Since then, several endorsements have been issued to the peti-
tioner but to no purpose

The petitioner appeared before me also several
times He wants damage² to the extent of thousands of Rupees
Everytime he comes to the office he misbehaves very badly and
will not ^{not} get out of the compound where he will be shouting till
he is told ^{not} the police would be sent for I think that re
this subject he gets mad

The entire records accompany for favour of --
perusal and return with *such order as Government may*
deem fit
